

SECTION 1
A MESSAGE FROM
THE HEADTEACHER AND CHAIR OF GOVERNORS

Welcome to Horsington Church of England Primary School.

We believe that the primary years are exciting and challenging and the staff and Governors of our school aim to provide a happy, secure and well organised environment in which the children are valued as individuals and helped to achieve their full potential.

Our mission statement reminds all of us of the importance of our task and our approach to it.

“We are a community of Learners and seek to create, within a Christian ethos, a happy, secure and stimulating learning environment in which all members of the school community can grow in self-esteem and develop their full potential.”

We are aware that we join parents as partners in the education progress and continue the work already begun at home. We promise to keep you fully informed of your child’s progress and to suggest ways in which you can offer support.

We believe that we have an open and friendly school. We do hope that you will have an enjoyable and worthwhile association with us.
