

RELIGIOUS EDUCATION

This subject enables pupils to understand the nature of beliefs and practices and the importance of these in the lives of believers. We aim to enable our pupils to develop a capacity to explore questions of meaning and purpose.

The Religious Education Policy of the school has been drawn up in accordance with the Local Authority's agreed syllabus. Under the provisions of the Education Reform Act 1988, any parent wishing to withdraw a child from Religious Education should make a written request to the Headteacher.

MODERN FOREIGN LANGUAGES

Spanish is offered as an after school club led by a member of staff. French is taught in the junior years to give children a flavour of another language and an appreciation of another European culture.
