Dear Parent,

Autumn Term Newsletter 2008 (1)

Welcome to all the new children who have started at our school this September and also to all new parents. We all look forward to working alongside you. If you have any questions or there are events you are uncertain about please come to the school office or ask your child's class teacher who will be happy to help.

Consent Form for the Recording of Images

This form is attached to the newsletter. I would be grateful if you could return this as soon as possible. We are required to send the form out annually.

general consent is for local activities which we regularly carry out as a school such as going to the Sports Centre, going to the church etc. Please return your completed general consent form to the school office.

Entitlement to free school meals

Shortly we will be required to return information that affects the way the school is funded and assessed against other schools. I would be grateful if you could complete and return the attached slip about eligibility for free school meals even if you do not wish to claim one. Any information that you give to us will remain confidential and names will not be placed on the information we return to the Government, only the number of eligible children.

School Clubs

A range of clubs will be starting again shortly both at lunchtime and after school. A list of the clubs being run and the age groups that they are open to is attached to this newsletter. Some clubs will have a limit on numbers and regrettably children will then have to be placed on a waiting list, but it is wonderful to see how many children are keen to develop their skills and talents. If a club meets after school a clubs consent form must be completed and returned to the school office. We are restarting our Spanish Club. There will be a £1 per session charge for this club.

General Consent

Parents of children in Fire and Earth Classes have already completed a general consent form for this school year, therefore I would ask parents of children in Air and Water Classes to complete the attached form. The

School Uniform

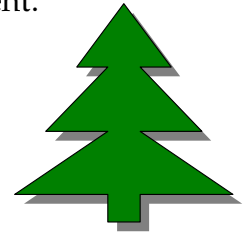

Please could I remind you to label your children's school uniform, including their PE kit and daps. It makes returning articles to children much easier when they are lost.

Yours sincerely,
