Dear Parents,

Newsletter – Spring 2010 (1)

This has been a very unusual start to our new term. Thank you for your co-operation and help. On our return the school did look beautiful and the children enjoyed their time in the snow, they produced some very good snow sculptures on the field.

Carol Services

Thank you for all your kind comments about our Carol services. The story telling used was not a sign system but a range of actions invented by staff and children to aid story telling and help develop story writing. This is something we have been using in school so that the children have a memorable bank of stories they can draw on when writing their own tales.

The collection for Blue Peter Smile Appeal came to £339.96

to cover Mrs Alexander's maternity leave.

Visit to Granada

Four members of staff had a very successful visit to Granada last term. They visited our partner school and met delegations from Turkey and Hungary. Gifts from our partner schools and Granada are displayed in the glass link. Fire Class will be finding out more as part of their geography project this term. A delegation of three staff will be visiting our partner school in Turkey at the end of this term. All our partner schools are due to visit Horsington in May 2011. Links to our partnership website are to be found on our school website on our links page.

Return to Normal!

Next week we will return to school uniform. Football and netball clubs will restart on Wednesday and Thursday respectively. Fire and Air classes will be going to the Sports Centre. A new date will be set for a PTA Meeting.

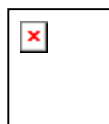

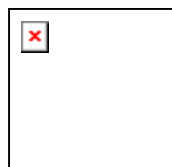

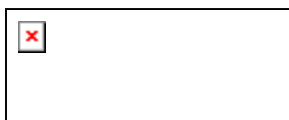

David Heath MP

He will be visiting our school 29th January to meet the staff and children and present certificates for his Christmas card competition.

Earth Class

Mr Phillip Allan was appointed by the Governors at the end of last term
Yours sincerely,
