Dear Parent,

Spring Newsletter – 1

Daffodils are now in flower next to Fire Class – does that mean Spring is here? Fire Class have only recently enjoyed a winter walk from Charlton Horethorne on a frosty morning with the hilltops peering through the mist. This really allowed our children to appreciate the beauty of the area in which they live.

Carol Services

Thank you to all who contributed to our retiring collection for St. John's Church, which raised £305.69. Thank you also to the parents who provided refreshments at the end of each service.

Kilve Court Residential Visit

There will be a Parents' Meeting in Earth Class on Monday, 5th March for those children going on our residential visit.

In-Service Day

There will be an in-service day on Friday, 10th February when the school will be closed to children.

Sportshall Athletics

Very well done indeed to our athletics team who, having won the Federation competition, went on to the area final in Yeovil. They won the area final and are going to represent the South Somerset area at the County finals being held in Street. This is a brilliant

achievement and we wish them all the very best.

Miss Martin

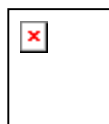

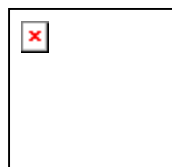

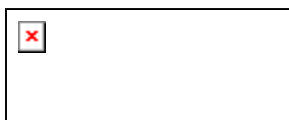

Unfortunately Miss Martin, who only joined us recently, has found a full time post in the local area and has decided to leave.

Comenius Assistant

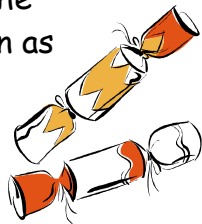

Miss Szgeti, who has been teaching

Romanian and the culture of Romania through funding from the British Council, is now coming to the end of her time with us. She will be finishing on Friday, 3rd February.

We have all really enjoyed learning from her and very much appreciate all the effort she has made. The children really appreciated the Romanian Day she organised. We are now eagerly awaiting the arrival of the cultural box sent from a school near Tirgu Mures. We have sent a

cultural box to the school there, with typically British items inside, and are waiting to see the video which will be taken as they open it to record their reaction. Thank you very much for coming to our school.

Parking

Please take great care when arriving at the school. With so many cars everyone needs to be very vigilant to keep all our children safe. If you are able to park at the village hall car park and walk the short distance to the

school then that will relieve some of the pressure on the car park by the school. If you are able to arrange to car-share then this too will reduce the volume of traffic. Please be aware of children cycling and walking. It is the responsibility of us all to make sure the road outside the school is as safe as possible for all children.

Recently the car park has been blocked by the way in which some cars are being parked. Please ensure you park in such a way that others are able to enter and leave the car park.

Yours sincerely,

Ian Rumbelow
Headteacher
